Mark Evans, Chief Executive, O2 (Telefónica UK)

11.10 Break

Session 2

11.30 Panel discussion: Managing climate risk and identifying opportunities in a net zero carbon transition

The investment community has a key role to play in driving the transition to a net zero future. This panel will discuss how investors and financial institutions can work with corporates to achieve the collective action that is necessary to address climate change and whether they can do more to incentivise companies to measure, manage and report their climate change impact.

- Panellists:**
- Sir Roger Gifford, Chair, UK Green Finance Institute
 - Neo Gim Huay, Managing Director, Sustainability, Temasek International Pte Ltd.
 - Dr Ma Jun, Chairman, Green Finance Committee, China Society for Finance and Banking
 - Anna Sweeney, Executive Director, Bank of England

Moderator: Tom Delay CBE, Chief Executive, the Carbon Trust

12.10 Panel discussion: Perspectives on business and the green recovery

A green economic recovery has become a rallying point for many cities and countries in the midst of Covid-19. In this panel we will hear more on the opportunities for companies to work with governments to build back better with examples of successes, and areas where longer term business model adaptation may be necessary.

- Panellists:**
- Shirley Rodrigues, Deputy Mayor, Environment and Energy, Greater London Authority
 - Her Majesty's Ambassador, H.E. Ms Judith Gough, British Ambassador to Sweden, Foreign, Commonwealth and Development Office
 - Raimondo Orsini, Director, Sustainable Development Foundation

Moderator: Simon Retallack, Director, the Carbon Trust

12.50 Keynote address

Baroness Brown of Cambridge, Deputy Chair of the Committee on Climate Change and Chair of the Carbon Trust

13.10 Break

Session 3

14.00

Keynote: Raising ambition within the pharmaceutical industry

Uffe Kaare Rasmussen, Senior Director for Compliance and Sustainability, Lundbeck

14.20

Panel discussion: Creating value through climate leadership

Companies around the world are stepping up their climate commitments to combat the climate crisis. Our panellists discuss what climate leadership means for their organisations, how pursuing climate initiatives has created value for their business, and where innovations are most needed to meet the decarbonisation challenge.

- Panellists:**
- Anna Hamnö Wickman, Group Head of Sustainability, Bonava
 - Ingrid Reumert, VP, Global Communications, Sustainability and Public Affairs, VELUX
 - Karen Basiye, Head of Sustainable Business and Social Impact, Safaricom
 - Vicente Saisó Alva, Director of Sustainability, CEMEX

Moderator: Marta Iglesias, Associate Director, the Carbon Trust

15.00

Keynote address

Charles Brand, President of Tetra Pak Europe and Central Asia Region, Tetra Pak

15.20

Break

Session 4

15.40

Panel discussion: Net zero recovery – what does the horizon look like?

What are the key opportunities and challenges for corporates seeking to deliver a net zero recovery and how can governments create the right incentives for this recovery? Our panellists consider these and other questions at this time of extraordinary challenge for global economies.

- Panellists:**
- Alastair Mant, Head of Business Transformation, UK Green Building Council
 - Henrik Nissen Sætness, Senior Vice President, Statkraft
 - James Beard, Senior Campaign Manager – EV100, The Climate Group
 - Sarah Jones, Environment Manager, Siemens
 - Vaughan Lindsay, Chief Executive, ClimateCare

Moderator: Guy Rickard, Associate Director, the Carbon Trust

16.30

Net zero ambition and its role in delivering a green recovery – reflections by the Carbon Trust
